SIGN UP FOR DOCENT TRAINING

The Historic Haile Homestead is recruiting new docents! To become a docent at the Historic Haile Homestead, you are required to attend all three training sessions, become a member of the Historic Haile Homestead, commit to being on duty at least once a month, attend fundraising events and attend quarterly docent meetings.

Training sessions are generally held on a Saturday or Sunday. We are quite flexible and can work with your schedule.

Attendance at all training sessions is required.

To sign up to be a docent at the Historic Haile Homestead, send your registration form via email to hailedocent@yahoo.com or by U.S. Mail to:
