

# The Historic Haile Homestead Needs Your Help

Thanks to the generous donation by the family of Mrs. Cathy Graham Minderman Phase I of the Allen and Ethel Graham Visitors' Center has been completed. The exterior, breezeway, and restrooms are finished and the display/reception area is dried-in; we still need **another \$75,000** to complete the display/reception area, gift shop, office and prep kitchen as was originally envisioned.

Your gift will have an immediate and specific impact!

To show our deep appreciation for your generosity, the following Naming Opportunities are still available:

Breezeway \$25,000

Parking lot \$25,000

Restrooms \$25,000

Path to the Homestead \$25,000

Wall of Donors \$5,000 per plaque

A permanent display in the Allen and Ethel Graham Visitors' Center

**We will gratefully accept donations or pledges of any size.**

## WHY DO WE NEED A VISITORS' CENTER?

The 1856 Haile Homestead stands **unique in the nation** for its “Talking Walls,” where over 12,500 words were written by family and friends. The Visitors’ Center will provide an appropriate gateway to this historical treasure: an exhibit and reception area with restrooms to make our visitors and volunteers more comfortable. It will also allow us to host special events like wedding receptions and meetings to help pay for continuing operations and preservation efforts.
